Any warranty, expressed or implied as to quality, performance, or fitness for use of wire rope products is always premised on the condition that the published strengths apply only to new, unused rope, that the mechanical equipment on which products are used is properly designed and maintained, that such products are properly stored, handled, used, and maintained and properly inspected on a regular basis during the period of use.

Seller shall not be liable under any circumstances for consequential or incidental damages or secondary charges including but not limited to personal injury, labor costs, a loss of profits resulting from the use of said products or from said products being incorporated in or becoming a component of any other product.

The wire rope that we produce in our USA mills may include materials produced outside the United States. If your order requires that only materials "melted and manufactured" in the United States be used, please let us know at the time of inquiry.
